This matter comes before the Public Service Commission of South Carolina (the Commission) as the result of the failure of Kathryn Alverson DBA Cherokee Warehouse Trucking Company (the Applicant) to comply with certain directives of this Commission relative to the instant docket.

By its previous Order in this matter, the Commission granted the authority described in the Application. In addition, the Commission directed the Applicant to file the proper license fees and other information required by S.C. Code Ann. Section 58-23-10, et seq. (1976), as amended, and the applicable provisions of R.103-100 through R.103-280 of the Commission's Rules and Regulations pertaining to Motor Carriers (Vol. 26, S.C. Code Ann., 1976) within sixty (60) days of the date of this Order. The Applicant's compliance with such filing requirements was clearly expressed as a condition precedent to receipt of the Certificate

and rendition of the authorized motor carrier services.

However, a review of the instant docket reveals that the Applicant has failed to comply with the directives of the Order and subsequent notifications issued by this Commission with respect thereto. Therefore, the Commission is of the opinion, and so finds, that its previous Order granting authority in this matter should be rescinded. Accordingly, the Commission further finds that the Application herein should be dismissed and the instant docket should be closed.
